City of Minneapolis

Year 2001 City Goals

City of Minneapolis

Build Community

Increase safety and confidence in the City of Minneapolis through effective and efficient law enforcement and prosecution, and criminal justice system reform.

Strengthen the participation of all citizens, including children, in the economic and civic life of the community.

Reduce the negative environmental impacts of the Airport while maintaining its economic benefits to the people who live, work and play in Minneapolis

Strengthen Markets

Increase the City's population and tax base by developing and supporting housing choices citywide through preservation of existing housing and new construction.

Position the City in the world marketplace to grow our diverse, resilient economy.

Create strong vital commercial corridors citywide through mixed-use development, including a variety of businesses and creative housing.

Make downtown a great place to live, work, play and do business.

Keep the City Clean and Healthy

Improve public transportation to get people to jobs, school, fun and other daily activities.

Preserve, enhance and create a sustainable natural and historic environment citywide.

Strengthen our City through infrastructure investments.

Provide Strong Leadership and Management

Provide an efficient, effective, results-oriented City government that has a clearly defined role in relationship to other levels of government.
